RFP-2021-02 Transportation and Fire Services Consolidation Business Analysis – Inquiry #1

1. On Page 9 it states one USB with the complete proposal along with the original Form of Proposal to be mailed in. Then on Page 13 it states that all sections must be tabbed and labelled. Do you want a printed copy of the proposal labelled and tabbed along with the USB? Or is the tabbing/labelling referring to the electronic copy on the USB?
